STRATEGIES FOR THE REAL WORLD

Difficult market conditions are creating a complicated business climate. The Toughbook Team is focused on success and ready for action. During the TP3 Summer Session 2009 at the Camelback Inn – A JW Marriott Resort & Spa in Scottsdale, Arizona—you will be given tools and strategies to be successful. Please join Panasonic Computer Solutions Company for the annual strategy gathering of our TP3 Partners on August 11-14, 2009.

HIGHLIGHTS FOR THE 2009 SESSION

- See, touch and test the Toughbook products that raise the bar in the rugged market
- Learn how to add value and profits with an effective service strategy
- Forge market alliances with Panasonic Partners that open doors and widen your competitive advantage
